Holiday FUNDRAISER 2026

 **Green Valley
GREENHOUSE**

FUNDRAISE WITH US!

HOW IT WORKS:

What are you selling?

The Green Valley Greenhouse Fundraiser is a great option for groups needing to raise funds for a trip, uniforms, tuition, competitions, etc .

Organization members simply sell \$25 Green Valley Greenhouse Vouchers to their friends, family, and/or neighbors and **your organization earns 20% of each voucher that is sold**. This is a great option because there is NO money required up front, NO requirement to sell all the vouchers, and best of all, NO product to distribute!

**Your organization pays \$20 for each \$25 Voucher=\$5 profit per Voucher sold!*

The Vouchers may only be redeemed at Green Valley Greenhouse located in Ramsey, MN. They do not expire and do not lose value over time. If the whole value of the voucher is not used the remaining balance will be added to a gift card. Vouchers cannot be turned in for cash.

GREEN VALLEY FUNDRAISING PROGRAM IS THE PERFECT CHOICE FOR YOUR ORGANIZATION:

What can be Purchased with a Green Valley Voucher?

A Green Valley Greenhouse Voucher can be used to purchase plant material, hard goods, and garden decor that we offer throughout the year. Our Garden Center is open year-round, and we carry a large selection of plants during every season. In the Spring we have one of the best selections of annuals and vegetables in the Twin Cities! We also carry perennials, trees, shrubs, houseplants, succulents, and garden decor. We offer garden mums in the fall, poinsettias and spruce tip planters for the holidays, and lilies for Easter.

Our friendly and knowledgeable staff is ready to help you any time of year!
